# SHRD REXEL EU PROMAX V65WS CONFETTI CUT

## Overview

Perfect for the business executive, the Shredmaster V65 provides stylish design along with extra security (S3) to help protect your business information from falling into the wrong hands. The large 23 litre bin can handle up to 200 sheets - to make it ultra-easy to use, the V65 shuts off automatically when full, signalling that the bin needs emptying.

## Features

- Confetti-cut (4 x 34mm pieces) for maximum security
- Finger safe for additional safety(UL60950).
- High performance steel cutters are durable for continuous use.
- Internal compaction plate for longer shredding before emptying.
- Overheat protection.  The thermostat detects when the shredder overheat and automatically goes into cools down mode for additional safety.
- Shreds 6 sheets (70gsm) at a time for personal usage
- The large 23 litre bin can handle up to 200 sheets - to make it ultra-easy to use, the V65 shuts off automatically when full, signalling that the bin needs emptying.
- This means less distraction around the home or office
- Typically extends shredding time by over 25 %  than other shredders
- Ultra quiet operation (<60DBA)
- Unpacked dimensions : 480mm(H)x350mm(W)x240mm (D)
- Accepts staples,paper clips and credit cards.
- Compaction technology.  The shredder has been designed to compact shredded paper, giving you longer shredding between emptying.
